

Recreation Facilities Guide

Shasta-Trinity National Forest

Season of use

Most recreation sites within the Shasta-Trinity National Forest are open from May 15 through September 15. During the remainder of the year, some sites may be kept open as needed or as weather permits.

Recreational facilities that remain open will offer reduced services. Some water systems are turned off during the winter months.

Length of stay

Camping at improved campgrounds is limited to the maximum number of days posted at the site (generally no more than 14 days). Camping outside of improved campgrounds (dispersed camping) is limited to thirty (30) days within a one (1) year period, starting with the first day of occupancy.

Fees

Family campground fees range from \$20 to \$50 per day, depending on the types of services offered. Group campground fees range from \$100 to \$130 per night. Fee listings for individual campgrounds are available upon request. There is a \$6 fee for a second vehicle.

Pets

Pets are allowed in the recreation areas unless posted. They must be on a leash when in a developed site.

Campfire Permits

Campfire permits are required outside of a designated campsite and may be obtained free of charge from your nearest Forest Service, CalFire or Bureau of Land Management office.

Dispersed Camping

Generally, dispersed camping is allowed outside of developed sites within the Shasta-Trinity National Forest unless otherwise posted. The exceptions to this is Lewiston Lake. Camping is prohibited within ¼ mile of the high water mark with no exceptions.

Federal Recreation Lands Pass

Holders of the Senior and Access passes receive a 50% discount for pass owner on some expanded amenity fees such as camping (excluding hook-ups), boat launching, etc.

Reservations:

Reservations can be made online at www.recreation.gov or by calling 1-877-444-6777.
